

SKILLS. PRODUCTIVITY. GROWTH.

SKILLS FOR GROWTH SME

Equip your business with the skills for growth

Skills for Growth - SME Support is a fully funded support service designed to help businesses in Greater Manchester to identify skills gaps, improve productivity and explore the opportunity for growth.

We offer:

- A dedicated skills coach to guide you through the programme
- Tailored business diagnostic to identify employee skills gaps and opportunities for growth
- Individual development plans that will guide each identified employee through their up-skilling journey
- Exclusive access to the GM Skills Map training course directory and learning management system, home to 1800+ courses from 180+ providers
- Specialist support in Health and Wellbeing and Apprenticeships
- Regular events and workshop schedules focused on business essentials that will drive growth

Visit www.skillsforgrowthsmc.co.uk to find out more or call us on 0161 237 4444 today.

Skills for Growth is funded through the European Social Fund and aims to plug the skills gaps in priority sectors across Greater Manchester as outlined in the Combined Authority's Local Industrial Strategy.
