LEAD GM TOWARDS A BRIGHTER FUTURE

Greater Manchester is on a mission to become the home of 'good' employment, and to do that we need to provide high quality training, developmental opportunity and stable work for all employees.

In support of the health and social care sector, Skills for Growth - SME Support and Acorn Training have partnered up to provide high quality workplace learning for the sector.

GM SKILLS MAP

The easy-to-use Course Directory and Learning Management Portal for SMEs.

GM Skills Map gives you access to a broad directory of training providers and courses to suit your needs, and your dedicated Skills Coach will help you make the most out of this intuitive platform. Manage your employees' training, source providers and access 100s of additional bite-size training modules all in one place.
